Soldier Field has two types of seating - PSL and non-PSL. PSL stands for Permanent Seat License, which in exchange for a one-time fee gives the license holder permanent control of the rights to season tickets for a specific seat, including the right to transfer or sell the PSL. Non-PSL locations make up 55% of the seats in Soldier Field and are located along the entire sideline in the west grandstand and in both endzones. Non-PSL seats do not require a one-time license fee. The rights to non-PSL season tickets are non-transferable. Non-PSL seats can be converted into PSL seats through the Bears Seat Specific PSL program. For more information, non-PSL season ticket holders can contact the Bears Ticket Office at (847) 615-2327. Due to limited availability, there is not a guarantee that all STPL accounts will be able to purchase individual game tickets before the general public. All benefits are subject to change without notice.
